EDUCATION

Ph.D. in Geography – expected 2011. UCSB Santa Barbara, CA

Exploring agent based modeling for the spatial distribution of perceived risk perceptions with regards to the transmission of tuberculosis

Masters of Science in Geographic Information Systems – 2005. University of Redlands

Access to safety net health service providers – Los Angeles County

B.A. in Geography – 2004. UCLA Los Angeles, CA

FELLOWSHIPS AND GRANTS

Doctoral Scholars Fellowship – 2006 – 2010. \$118,000

Center for Nanotechnology and Society Fellowship – 2008 – 2009. \$30,000

UCSB Graduate Division Conference Registration Grant – 2008. \$75

UCSB AGEP Travel Grant – 2008. \$300

Jack and Laura Dangermond Travel Grant – 2008: \$535

UCSB Instructional Development Grant – 2008: \$1,500

TEACHING

UCSB Instructor of Record for Introduction to Geographic Information Systems – Summer 2008

UCSB Technical Consultant and Lab Assistant, Advanced Spatial Analysis Workshop – Summer 2008

UCSB Teaching Assistant for courses in the GIS series – Summer 2007 through Spring 2008

University of Redlands Workshop Instructor “Working with Census Data” – 2008

UCSB Course Lab Material Developer – Summer 2007

ESRI Instructor - 2006

INVITED TALKS

10/22/2008: “Indy does what? Spatial Thinking, Spatial Analysis, and Data Visualization with Geographic Information Systems” – Soc 591: Center for Nanotechnology in Society Graduate Seminar, UCSB

10/21/2008: “Leveraging iClicker in the Classroom to Promote Active Learning” – Geog 500: Teaching Assistant Training, UCSB

10/11/2007: “GIS Applications” - Geog 176A: Introduction to Geographic Information Systems, UCSB

9/10/2007: “GIS Applications” - Geog 176A: Introduction to Geographic Information Systems, UCSB

7/24/2007: “Introducing GIS” - Geog 12: Maps and Mapping, UCSB

4/17/2006: “Mapping Grocery Store Produce Selection with GIS” - Geog 185: Cultural Geography, Orange Coast College
