

LAWRIE JORDAN
ESRI

Lawrie Jordan is the Director of Imagery Enterprise Solutions for ESRI, as well as Special Assistant to Jack Dangermond, President of ESRI. In this capacity, he serves as an advocate for successful applications of all forms of imagery within the GIS enterprise, including environmental, civil, and defense solutions.

Mr. Jordan has more than 30 years of experience as a leader in the field of image processing and remote sensing, including a long standing strategic partnership with ESRI. He has been an advisor to numerous government organizations on current and future trends involving imagery and satellite programs. His background education is in Landscape Architecture, with degrees from The University of Georgia and Harvard University.
