

SUSAN ENSCORE

Geographer, US Army Corps of Engineers
Engineer Research and Development Center (ERDC)
Construction Engineering Research Laboratory (CERL)
Champaign, Illinois

Email: Susan.I.Enscore@usace.army.mil

Professional Preparation:

- 1993 Doctor of Philosophy in Historical Geography, University of Illinois at Urbana-Champaign, Department of Geography, October
- 1987 Master of Arts in Geography, Appalachian State University, Boone, NC, Department of Geography and Planning
- 1979 Bachelor of Arts in Geography, Appalachian State University, Boone, NC

Appointments:

U. S. Army Engineer Research and Development Center (ERDC)
Construction Engineering Research Laboratory (CERL), Champaign, IL
August 1992– Geographer/Community Planner

Primary Duties: Project Manager and Lead Researcher. Projects involve cultural awareness of the urban battle space, implications of cultural attributes for military operations, and protection of built environment historical properties in conflict areas. Dr. Enscore is the planning committee chair for the annual joint ERDC/UK MoD Spatial Socio-Cultural Knowledge Workshop. A second set of projects involve management of cultural resource properties at military installations across the United States. This work involves historic buildings and landscapes inventory, evaluation, maintenance, and management, including the creation of in-depth historic contexts, and detailed knowledge of Federal historic preservation legislation.

Selected Awards:

Department of the Army, Official Commendations, 1993–1995, 1999–2000, 2005
Cratis D. Williams Award, Best Thesis of the Year, Appalachian State University, 1987
