

HUAN LIU

Professor

Computer Science and Engineering

Arizona State University

Email: huan.liu@asu.edu

Dr. Huan Liu is a professor of Computer Science and Engineering at Arizona State University. Huan Liu has been recognized for excellence in teaching and research in Computer Science and Engineering at Arizona State University. His research interests are in data mining, machine learning, social computing, and artificial intelligence, investigating problems that arise in many real-world applications with high-dimensional data of disparate forms such as social media, crowdsourcing, online group interaction, text, and web data. His well-cited publications include books, book chapters, encyclopedia entries as well as numerous conference and journal papers. He serves on journal editorial boards and numerous conference program committees, and is a founding organizer of the International Conference Series on Social Computing, Behavioral Modeling, and Prediction (<http://sbp.asu.edu/>). His professional memberships include AAAI, ACM, ASEE, SIAM, and IEEE. He can be contacted via <http://www.publi.asu.edu/~huanliu>.
